As the community's financial intermediary, this bank has implemented the development of credit counseling, agricultural and small business management programs. Other special credit-related programs include the Small Business Administration (SBA), the Farm Service Agency (FSA), Farmer Mac II and the Federal Home Loan Bank. The bank can assist interested persons in applying for farm real estate credit pursuant to Minnesota's Family Farm Security Act. This bank will continue to assist, consistent with sound banking practices, the local units of government by competitively bidding on county certificates of deposits, local improvement bonds, tax participation certificates, as well as making available short-term credit through the issuance of warrants.

As a result of over 90 years of serving the credit needs of this community, the bank has determined that agricultural loans, real estate loans, consumer loans, and business loans are most in demand and has responded to this need. The bank will make, and has made low and moderate-income housing loans anywhere within the local community, provided that the borrower is credit-worthy. The bank has participated and will continue to participate in local development and redevelopment projects and programs.

The CRA Policies of this bank are promulgated and continuously reviewed by its Board of Directors to assure that viable and relevant credit-extension programs are always available in this community.
